

It would not matter which party I support - this situation makes me very upset. What kind of democracy is Pappas creating by its 'donation' of \$325,000 in airtime to Republican candidates. This is not fair and I feel is UNAMERICAN! I love my FOX station (KMPH - Channel 26 in Fresno, California). I watch it every night when I get home from work while I wind down from a stressful day. I have been watching the baseball playoffs and world series on FOX. I watch the 10:00 news..... I must say I am very disappointed in FOX for this action and disappointed in our government for allowing the media to have this kind of power. I believe FOX should be forced to allow other candidates equal time to express their views. I thought that was already the rule!

Pappas uses the public airwaves free of charge and are obligated by law to serve the public interest. Their actions are legally questionable and cast doubt on whether they truly intend to serve the public interest. Their actions show why we need to strengthen media ownership rules, not weaken them. Further, this shows why the license renewal process needs to involve more than just a returned postcard. Thank you.
